

Mr Kiya Masahiko and Mrs Kiya Yayoi attended our celebration together with 24 members and 20 guests. It was a happy occasion to get together again, after having to miss our 61st. We enjoyed an exhibition of Ikebana arrangements by members and were treated to a wonderful demonstration of Ikebana by the principals of the five schools represented in Sydney:

- Mrs Megumi Bennett, Koryu Shoyo- kai School
- Mrs Aya Shibata, Ikenobo School
- Mrs Kuniko Nakano, Ohara School
- Mrs Hiroko Prado, Sogetsu School
- Mrs Patricia Walters, Chiko School

A light lunch of chicken sandwiches followed, with champagne provided by Justin Walters. The great efforts of the committee members to arrange this event made it most successful, and they were grateful for the assistance of some of our members and guests on the day.

Generous donations for raffle prizes and the loaded trading table increased the enthusiasm, and the delighted raffle winners carried away a large variety of prizes.
